Join us for a Special Event

In this profoundly impactful spiritual retreat, you will have the opportunity to rediscover ancient spiritual ties between the human and dolphin worlds, and to forge a new, more conscious creative partnership with these amazingly beautiful beings of the sea.

Through a series of steps using discussion, meditation, lucid night/day dreaming, conscious personal process, astrology, dream yoga and actual swims with wild dolphins, you will establish greater psychic links of communication and co-creation of reality in partnership with the dolphins and dolphin dreamers. This deep connection with these amazing partners can help you discover new levels of self-healing and self-awareness.

Join us to co-create with our Ancient Partners and to reach new heights in the manifestation of your personal and global reality!
